

COMMUNITY UPDATE

6th June 2022

Dear Community Member

We have experienced an isolated fire on one of our units that on-site emergency teams, with assistance from Hampshire Fire and Rescue Service, moved quickly and have safely contained the incident.

There have been no injuries and all personnel are accounted for.

As a result we are currently having to use our flares. Please be assured that the use of our flares is completely safe and controlled.

We apologise if the use of our flares cause any concern or disruption to our host community.

We will update you further as soon as we have more information.

Thank you for your patience and understanding.

Regards

Annita McCurdy
Process Manager
